Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Morris O. Mancoronal Jr., of Conrad
(Name of Appropriator) (Address) (Town)
County of Pondera State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

S.E. 1/4 NW 1/4 Sec. 23, T. 28, R. 1 W.

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based winter livestock water
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1925 as far as I know continuous until flood of 1953
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 to 7 gals per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not used for irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Hand pump & pump & rope
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Does not apply to my well (see #6)
8. The depth of water table about 18 to 22 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Hand dug wooden casing size 4x4x20
10. The estimated amount of groundwater withdrawn each year Don't know just livestock water
11. The log of formations encountered in the drilling of each well if available. not available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. the well has not been recorded. unknown of

Signature of Owner Morris O. Mancoronal Jr.Date 12/16/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
MONTANA WATER RESOURCES BOARD

NOTICE OF APPROPRIATION OF GROUNDWATER
(Under Chapter 237, Montana Session Laws, 1961, as amended)

After filing a notice of appropriation, in order to acquire a right based thereon, the person must, within ninety (90) days, commence actual excavation and diligently prosecute construction of a well and, upon its completion, file a notice of completion with the County Clerk of the county in which the appropriation is located.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

1. I, David H Hastings, of Conrad, Mont.
(Name of Appropriator) (Address) (Town)

County of Pondera, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is irrigating SW 1/4 and NW 1/4 Sec 31 T28 N1E and NW 1/4 Sec 6 T27 N1E
(describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed 2500 gal per min

The estimated amount of groundwater to be used annually 180 million gallons

4. The annual period (inclusive dates) of intended use May 15 to Oct 20

5. The probable or intended date of first beneficial use June 28 1973

6. The probable or intended date of commencement and completion of the well* or wells* _____

7. The location, type, size and depth of well or wells contemplated _____

8. The probable or estimated depth of the water-table or artesian aquifer _____

9. The name, address, and license number of the driller engaged _____

10. Give such other similar information as may be useful in carrying out the policy of this act _____

My intent is to use the aforesaid amount of water off of Pondera Creek by suitable pumps

For Administrator's Use

(Under Chapter 237, Montana Session Laws, 1961)

1. Oliver Offerdal, of Box 987 Conrad
(Name of Appropriator) (Address) (Town)
County of Pondera State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N 1/4 Sec. 34, T. 28N, R. 1E

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based water is used
for irrigation of yard and household
purposes.

3. Date or approximate date of earliest beneficial use; and how con-
tinuous the use has been October 15, 1949; used
continuously since that date.

4. The amount of groundwater claimed (in miner's inches or gallons
per minute) Ten gallons per minute.

5. If used for irrigation, give the acreage and description of the lands
to which water has been applied and name of the owner thereof
Used for irrigation of yard located
in NW 1/4 Sec. 34, Twp. 28N, Rge.
1E, Montana Meridian, Montana.

6. The means of withdrawing such water from the ground and the
location of each well or other means of withdrawal
water is withdrawn from wells by means of
a power pump; wells are located as shown
on above plat.

7. The date of commencement and completion of the construction of the well, wells, or other works for with-
drawal of groundwater. October 15, 1949.

8. The depth of water table. ten feet below surface.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other
works for the withdrawal of groundwater. Culvert 3ft in diameter placed in the
ground to a depth of approximately 15 feet.

10. The estimated amount of groundwater withdrawn each year. One Hundred Thousand Gal.

11. The log of formations encountered in the drilling of each well if available. No log available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
reference to book and page of any county record. no further information

STATE ENGINEER

1. Oscar O. Skov of Conrad
(Name of Appropriator) (Address) (Town)

County of Pondera State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 3 T. 27N R. 1W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1951; continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 150 gallons daily

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric pump (one well)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater November 6, 1951; Completed November 11, 1951

8. The depth of water table 54'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 6" casing to 58' in water well

10. The estimated amount of groundwater withdrawn each year 1,095 bbls.

11. The log of formations encountered in the drilling of each well if available surface clay to 54' where hit gravel bed producing the water

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

County PonderaRECEIVED
JAN 3 1963

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Bernard T Koenig & Mary Faith Koenig of Rh # 2 Conrad
(Name of Appropriator) (Address) (Town)
County of Pondera State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 NW Sec. 6 T. 17 R. 3 W

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based. Stock water and some home and garden irrigation.
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Fall--1920 Continuous until fall-1959 intermittent from then
4. The amount of groundwater claimed (in miner's inches or gallons per minute). 200,000 gals per year.
10 gals. per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Used to irrigate 5/8 acre of garden per year-garden located within building site.
Co-owners: Bernard T & Mary Faith Koenig
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Two wells-
each pumped with piston type pump.
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Both wells commenced and completed during the fall of 1920.
8. The depth of water table. 30 Feet below surface in each case
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. # 1 is 96 feet deep, originally cased to bottom with six-inch casing. In 1959, four inch casing was run to 90 feet after the original hole had been cleaned. It was then perforated and new well pipe cylinder, and rod run. # 2 is believed to be 80 feet deep and cased part of that distance. The original owner and driller are now dead and an original log of the well was never kept.
10. The estimated amount of groundwater withdrawn each year. 200,000 gals per year
11. The log of formations encountered in the drilling of each well if available.
None available in either case
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
None available

STATE ENGINEER

1. Fred C. Banka, of Conrad, Pondera County, Montana
(Name of Appropriator) (Address) (Town)
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

SE 1/4 Sec. 6, T. 27N. R. 2W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. Stock Water
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1957 Continuous
4. The amount of groundwater claimed (in miner's inches or gallons per minute). 20 Gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Not used for irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Natural flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1957
8. The depth of water table. 10 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Natural 12 ft. deep
10. The estimated amount of groundwater withdrawn each year. 300,000 Gallons
11. The log of formations encountered in the drilling of each well if available. None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record recorded at the clerk and recorder office Pondera County Court House, Conrad Montana

Signature of Owner

Fred C. Banka

Date 12/31/63

1. LYMAN R. DENZER of Valier
(Name of Appropriator) (Address) (Town)
County of Pondera State of MONT
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 SE Sec 21 T27N R2W

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based... Stock watering, spraying

3. Date or approximate date of earliest beneficial use; and how continuous the use has been... 1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 10 gals per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... 1958

8. The depth of water table... surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... 10" casing 90 ft deep

10. The estimated amount of groundwater withdrawn each year... 20,000 gal.

11. The log of formations encountered in the drilling of each well if available... NONE

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... NONE

Signature of Owner... Lyman R. Denzer

Date... Dec 20, 63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights STATE ENGINEER
(Under Chapter 237, Montana Session Laws, 1961)

1. PONDERA COUNTY, MONTANA, of Conrad,
(Name of Appropriator) (Address) (Town)
County of Pondera, State of Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 3,
~~XXX~~ Sec. 2 T27N R. 1E
Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based.
Public fresh water supply

3. Date or approximate date of earliest beneficial use; and how con-
tinuous the use has been December 2, 1940

4. The amount of groundwater claimed (in miner's inches or gallons
per minute) 300 gallons per minute

5. If used for irrigation, give the acreage and description of the lands
to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the
location of each well or other means of withdrawal.

Electric pump located in well
Said well being located on the tract of land more fully
described on the reverse side hereof, marked Exhibit "A",
and incorporated herein by reference.

7. The date of commencement and completion of the construction of the well, wells, or other works for with-
drawal of groundwater. Construction commenced on November 2, 1940 - construction
completed on December 2, 1940

8. The depth of water table. 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other
works for the withdrawal of groundwater. 25 feet in depth and 10 feet in diameter, lined
with brick

10. The estimated amount of groundwater withdrawn each year. 500,000 gallons

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
reference to book and page of any county record. Land on which the well described herein is located
is in Section 2, Township 27 North, Range 1 East and is more particularly described in
that certain Deed recorded in Book 19, at page 430 in the office of the Clerk and Recorder
of Pondera County, Montana.
